# **76,42 € excl. tax** 91,70 € incl. tax

SKU: JLBM53M50PA | Categories: Handle + chuck kit |

### **DESCRIPTION DU PRODUIT**

This kit allow the lock of the JLB model hollow punches up to a diameter of 50 mm or 2". They can be used to cut discs, washers or gaskets concentrically in a single operation.

This tool was the subject of some innovations allowing more comfort safety and performance for the user : A patented ergonomic handle absorbs the vibrations transmitted to the hand (Patent and Design Application) and a reinforced impact head ensures a longer tool life.

This set includes:

- 1 Handle for chuck
- 1 Chuck for Ø2 to 50 mm and 1/8" to 2" hollow punches

#### **Product advantages**

- Patented anti-vibration system and registered tool design.
- Chuck with a setscrew to ensure its tightening during the use
- Allen key supplied in the set allowing the tightening of the chuck
