

BAND-IT

THE ULTIMATE FASTENING SYSTEMS

GALVANIZED CARBON STEEL BAND

An economical choice offering medium strength, BAND-IT® galvanized carbon steel banding is used mainly in lower cost applications where corrosion resistance is not a factor.

- Galvanized carbon steel band offers medium strength coupled with good corrosion resistance in mild atmospheres and occasional fresh water
- Used with Ear-Lokt Style Buckles for medium duty applications
- Can be formed as single or double wrapped band configuration
- Utilized in general use banding applications
